Answers

Plan ahead and Prepare: Prepare for extreme weather, hazards, and emergencies.

Travel and Camp on Durable Surfaces: Durable surfaces include established trails and campsites, rock, gravel, dry grasses or snow.

Dispose of Waste Properly: Pack out all trash, leftover food and litter.

Leave What You Find: Preserve the past: examine, but do not touch cultural or historic structures and artifacts.

Leave rocks, plants and other natural objects as you find them.

Minimize Campfire Impacts: Where fires are permitted, use established fire rings, fire pans, or mound fires. Keep fires small.

Respect Wildlife: Observe wildlife from a distance. Do not follow or approach them. Never feed animals.

Be Considerate of Other Visitors: Let nature's sounds prevail. Avoid loud voices and noises.
